

Hailey Mack has been selected to serve as the Interim Associate Dean for Enrollment Management at College of Eastern Idaho (CEI).

Hailey has a master's degree in management and leadership and has spent the last several years serving as the Senior Coordinator for Recruitment at CEI. She has extensive experience in higher education and has served in various roles including human resources, student life, advising, recruitment, and student affairs.

In her Senior Coordinator role, Hailey successfully led numerous initiatives and projects to completion and is excited to support and lead further initiatives and projects that will contribute to the accomplishment of CEI's mission and goals.

CEI is confident that Hailey will continue to be a valuable member of the team and a skilled leader at our growing community college.
