Admissions

STEP 2: Submit **Registration Request Form**. Early College students are not allowed to register themselves in the CEI system. You must submit a Registration Request Form each term you want to take a class. If the course you want to take has a **prerequisite**, you need to submit that information along with the Registration Request Form. Math and English courses are the most likely to have prerequisite requirements. Full prerequisite information is available online.

STEP 3: If student is eligible for **Advanced Opportunities (AO)**, log into the State of Idaho Advanced Opportunities portal. Student may need to wait until the appropriate window opens for the term for which they are enrolling. <https://advancedops.sde.idaho.gov/>

Apply for
Funding

If this step is missed or if the student chooses not to apply for AO funding, the student will be billed the full amount due. Unpaid balances will result in a hold on the student's account that will prevent future registration or transcript orders.

STEP 4: Pay any applicable fees due upon registration. Fees are not covered by Advanced Opportunities. Fees are non-refundable after the first day of class. (Dual Credit courses at high schools usually do not have fees. Concurrent Enrollment classes on a CEI campus often do.)

Pay Balance

Fees are paid at the CEI Business Office.

Location: CEI Building #3, room 309 **Phone Number:** (208) 535-5352

STEP 5: New students will be required to complete an online or in-person orientation. This will include account set-up for CEI email and the CEI student portal. This set-up gives students full access to their college record including unofficial transcripts, online payment options, and real-time registration status.
