

Jeffrey Sneddon has been selected to serve as the Workforce Training and Continuing Education Executive Director at College of Eastern Idaho (CEI). Jeff comes to CEI with over twenty years of management in the inter-related fields of workforce development, business assistance, and economic community development.

His extensive experience includes nine years implementing workforce development initiative in partnership with the Maine Department of Labor/Career Center system, the Kennebec Valley Community College, and Maine Job Corps. Jeffrey earned his MBA from the University of West Florida.

CEI is confident that Jeffrey will prove to be a valuable member of the team and a skilled leader at our new and growing community college.
