See other side for list of elective courses and requirements.

- Note: Some universities require one or more Business Statistics courses, such as BSN 216 Business Statistics and BSN 217 Advanced Business Statistics. Business Statistics may be counted as a GEM 3 Math course at the university. Talk to an advisor about reverse transfer options if you would prefer to take Business Statistics from another institution and apply it as your GEM 3 CEI requirement.
- Most universities and 4 year colleges require a Business core before being admitted into a Business major. CEI offers many of these core requirements.
- Students may elect to earn more than 60 credits to enable obtaining additional business electives.

◇ - Indicates GEM Stamped course. Any GEM stamped course is transferrable to any public institution in the state of Idaho.

\* - Indicates Prerequisite or placement applies. See current CEI catalog or advisor for more information.

† - Indicates courses that are pending future CEI catalog publications
