Public Law 101-542 mandates that post-secondary institutions provide students and prospective students with certain consumer information. The graduation rate of students who are full-time, first time in a post-secondary institution is a part of the required information. The following depicts the graduation rate for Fall 2007 cohort at the conclusion of Summer 2010 term. Information regarding individual program student graduation rates is available by contacting the Office of Institutional Research.
