

Trustee Miller Tenders Resignation from CEI Board of Trustees

IDAHO FALLS, Idaho — College of Eastern Idaho (CEI) Board of Trustees announced the resignation of Trustee Craig Miller at the regular meeting held Tuesday, February 28th. His resignation is effective March 1, 2023.

Trustee Miller stated that “I have been honored to serve as one of the inaugural Trustees for CEI and my decision to resign was not an easy one but was driven by the demands of my other commitments which have impacted my ability to devote the time needed to support the College as well as a Trustee should.” Miller is currently the principal of Black Canyon Middle School after serving as a vice principal at Thunder Ridge High School and being recognized as the Idaho Assistant Principal of the Year 2020, among other accomplishments.

Chairman Park Price noted that Trustee Miller has served CEI faithfully throughout his five and a half years of service as a Trustee. “His rich background in middle, high school, and career technical education in Idaho has provided invaluable insight to the Trustees’ direction of the College, especially when it comes to expanding early college opportunities and encouraging area students to take advantage of them.”
