

CEI ADN (RN) Program Prerequisite Map: 3 semester plan

(only first two semesters required for Full Time option)

Prerequisites Semester 1

Course	Grade required	Credits	Program options required for (Full time, Alternative Schedule, or Bridge Program)
BIOL 227	Must have minimum C+	4	All options
BIOL 227L	Must have minimum C+	0	All options
ENGL 101	Must have minimum C+	3	All options
Math 153	Must have minimum C+	3	All options

Prerequisites Semester 2

Course	Grade required	Credits	Program options required for (Full time, Alternative Schedule, or Bridge Program)
BIOL 228	Must have minimum C+	4	Optional but highly recommended for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
BIOL 228L	Must have minimum C+	0	Optional but highly recommended for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
Micro 111	Must have minimum C+	3	All options
Micro 111 L	Must have minimum C+	1	All options
Psych 101 OR SOC 101	Must have minimum C+	3	All options

Prerequisites Semester 3 (required for Alternative Schedule and LPN-RN Bridge, optional for Full-time):

Course	Grade required	Credits	Program options required for (Full time, Alternative Schedule, or Bridge Program)
English 102	Must have minimum C+	3	Optional for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
Comm 101	Must have minimum C+	3	Optional for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
English 175 or equivalent humanities course (GEM 5)	Must have minimum C+	3	Optional for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.

***In addition to these prerequisites, to apply to the program MUST have valid Certified Nursing Assistant (CNA), EIRMC's StarTech, or have taken CEI's Nursing 101 course with a minimum of a C+.**

****In addition to a minimum grade of C+ for each course, the combined GPA of the following prerequisites must be a minimum of 3.0 (English 101, Math 153, Biol 227 and 227L, Micro 111 and 111L, and either Psych 101 or Soc 101)**

See nursing webpage for other application requirements.

CEI ADN (RN) Program Prerequisite Map: 2 semester option for Alternative Schedule and Bridge options

Prerequisites Semester 1

Course	Grade required	Credits	Program options required for (Full time, Alternative Schedule, or Bridge Program)
BIOL 227	Must have minimum C+	4	All options
BIOL 227L	Must have minimum C+	0	All options
ENGL 101	Must have minimum C+	3	All options
Math 153	Must have minimum C+	3	All options
Comm 101	Must have minimum C+	3	Optional for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
Psych 101 OR SOC 101	Must have minimum C+	3	All options

Prerequisites Semester 2

Course	Grade required	Credits	Program options required for (Full time, Alternative Schedule, or Bridge Program)
BIOL 228	Must have minimum C+	4	Optional but highly recommended for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
BIOL 228L	Must have minimum C+	0	Optional but highly recommended for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
Micro 111	Must have minimum C+	3	All options
Micro 111 L	Must have minimum C+	1	All options
English 102	Must have minimum C+	3	Optional for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
English 175 or equivalent humanities course (GEM 5)	Must have minimum C+	3	Optional for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.

***In addition to these prerequisites, to apply to the program MUST have valid Certified Nursing Assistant (CNA), EIRMC's StarTech, or have taken CEI's Nursing 101 course with a minimum of a C+.**

****In addition to a minimum grade of C+ for each course, the combined GPA of the following prerequisites must be a minimum of 3.0 (English 101, Math 153, Biol 227 and 227L, Micro 111 and 111L, and either Psych 101 or Soc 101)**

See nursing webpage for other application requirements.

1 Semester Prerequisites for Bridge Option (assuming completed prerequisites for PN program with grades/GPA sufficient for admittance to RN program)

Course	Grade required	Credits	Program options required for (Full time, Alternative Schedule, or Bridge Program)
Micro 111	Must have minimum C+	3	All options
Micro 111 L	Must have minimum C+	1	All options
English 102	Must have minimum C+	3	Optional for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
English 175 or equivalent humanities course (GEM 5)	Must have minimum C+	3	Optional for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.
Psych 101 OR SOC 101	Must have minimum C+	3	All options
Comm 101	Must have minimum C+	3	Optional for FT option (otherwise will take in-program). Required for AS and Bridge options prior to program admission.

****In addition to a minimum grade of C+ for each course, the combined GPA of the following prerequisites must be a minimum of 3.0 (English 101, Math 153, Biol 227 and 227L, Micro 111 and 111L, and either Psych 101 or Soc 101)**

See nursing webpage for other application requirements.
