

## **CEI Tutoring Center Awarded Level 1 Certification**

IDAHO FALLS, Idaho — College of Eastern Idaho (CEI) is pleased to announce that the CEI Tutoring Center has been awarded certification as a *Level 1* certified tutor training program by the internationally recognized College Reading and Learning Association (CRLA).

For more than thirty years CRLA has been a leader in learning assistance, reading, and academic support programs with almost 1,300 members and over 2,000 certified training programs worldwide. With this certification, the Tutoring Center can now train and certify CRLA tutors, enhancing their skills and connecting them with a nationwide network of CRLA programs. This achievement marks a considerable advancement for CEI tutoring services.

The Tutoring Center has worked hard to develop a tutor training program that meets CRLA's rigorous standards and has successfully completed the International Tutor Training Program Certification (ITTPC) peer review process. Achieving certification means that the Tutoring Center has met CRLA's high standards for tutor selection, training, direct service, and evaluation as an integral part of their overall tutoring program.

Connor Sorensen, Associate Director of Academic Support, stated — *"We are thrilled that our Tutoring Center has achieved level 1 CRLA certification. This prestigious endorsement recognizes the quality of our program and the dedication of our tutors. This certification is a valuable credential that student tutors can carry with them as they move on to future institutions. We invite more students to experience the benefits of tutoring firsthand and join us in realizing their full potential!"*
