

Immunization Checklist – Due with application

Immunization or Titer	Series Completion Date	Immunizations MUST BE finished before submitting IRIS report. IRIS report must include all vaccines or Titers.
MMR shots (2)		*Include on IRIS report
Or positive MMR Titer		*Include on IRIS report in lieu of vaccines
Hep B shots (3)		Include on IRIS report
Hep B Titer (Required with shots)		*Include on IRIS report or provide separate proof. * If you receive a <u>negative/non-reactive</u> titer, you will need to get a Hep B booster and re-draw the titer in 4 weeks. Add booster to IRIS and submit with negative titer to show proof you completed initial requirement.
Varicella shots (2)		*Include on IRIS report
Or positive Varicella Titer		*Include on IRIS report in lieu of vaccines
Tdap-Tetanus		*Within 10 yrs prior to packet submission. Include on IRIS report.
Flu Vaccine (current year)		*Include on IRIS report. New season shot due October 1 st of each year.
COVID-19 (Required)		*Include on IRIS report or submit CDC immunization card. Must show 2 shots of Pfizer or Moderna or 1 shot for Johnson & Johnson.

Immunization Records

You may need to provide the records that you currently have to Eastern Idaho Public Health Department. If you are not obtaining immunizations at EIPH, you will be charged a **\$10.00 fee** to complete your IRIS. Your records will be uploaded to the database. Once the records are complete, you may request a printout of your records. **A copy of your IRIS record must be received by the paperwork deadline. (Immunization cards will not be accepted).**

You may drop off your records, along with the enrollment form, and a check for \$10.00 to:

EIPH
1250 Hollipark Drive
Idaho Falls, Idaho 83401
533-3235

Please identify yourself as a CEI student. **Do this in a timely manner, as it may take some time.** Eastern Idaho Public Health is not obligated to provide you with this information at your convenience.

Note: Titer results must be added to the IRIS form. You can have them drawn at Express labs, your family doctor or East Idaho Public Health and submit a copy of the results demonstrating immunity.
