Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The federal government requires colleges to check the accuracy of the information you provided on your FAFSA. You must complete this worksheet, sign, attach any required documents, and submit the form to the Financial Aid Office before they can establish your eligibility for assistance. If you have questions about verification, contact our Financial Aid Office

The National Student Loan Data System (NSLDS) indicates that you are in DEFAULT on one or more federal student loans. You are not eligible to receive any federal student aid until you resolve any loan default(s). If you have repaid the loan(s), which has been reported as in default, please obtain documentation that the loan has been paid off and return the documentation to the Financial Aid Office.

To obtain loan information log in to Federal Student Aid at: [www.studentaid.gov](http://www.studentaid.gov)

To resolve your default call the U.S. Department of Education at 1-800-621-3115, or write to U.S. Department of Education, P.O. Box 5609, Greenville, Texas 75403.
